Succeeding in College

You've probably heard about how exciting college is and perhaps even how it may be challenging at times. At the University of Northern Iowa we work with you to navigate the tough moments and celebrate the successes. This New Panther Guide gives you resources to help you navigate your transition and tools to be a successful student.

STUDENT SUCCESS & RETENTION

The Office of Student Success & Retention is here to support you throughout your educational journey. If you ever have a question or issue and do not know who to ask or where to start, you can always reach out to our office. The office has comfy seating, study tables, private study rooms and free snacks. You are always welcome to visit us in 102 Gilchrist Hall or email success@uni.edu for any questions.

STUDENT CARE

Student Care, supported by staff in the Dean of Students office, seeks to serve students experiencing multiple issues, emergencies, or extenuating circumstances.

Frequently, faculty, staff and other members of the UNI community will refer a student to Student Care when they believe that student could use one-on-one support and referral to on-campus and off-campus resources. Student Care provides assistance to UNI students during situations such as:

- Unexpected events or challenges
- Medical emergencies or long-term illness
- Emotional or mental health concerns
- Death of a family member
- Natural disasters

The Basics

UNI ID CARD

Your UNI ID Card is your official UNI identification. Once you upload your ID photo in your orientation portal, your UNI ID will be ready for you when you arrive to campus for the start of the semester.

- Students living on campus will get their ID at move-in.
- If you are living off campus, you can pick up your ID at the Housing & Dining office in Redeker Center at the beginning of the semester.

USING YOUR UNI ID CARD ALLOWS ACCESS TO THE FOLLOWING BENEFITS:

- Entrance to home UNI athletic events for no additional cost
- Charge items to your U-Bill from on-campus dining
- Use your dining dollars and meal plan
- Check out books and pay for color copies at Rod Library
- Access to the Wellness & Recreation Center
- Discounts at some local businesses
- Opens electronic access doors, such as your dorm
- Check-in at Panther Welcome events

Student ID Card purchases will appear on your U-Bill. Carry your UNI ID at all times and keep it safe. Replacement UNI IDs cost \$30.

+ uni.edu/resources/uni-id-card

UNI EMAIL

You will have access to your UNI email after your orientation session. UNI email is powered by Google and will allow you to access other Google products such as Google Doc, Google Sheets and Google Slides. Your UNI email address will be username@uni.edu.

+ email.uni.edu

MYUNI APP

This is your one stop shop for quick and easy access to helpful resources you need as a UNI student. Just search MyUNI in your application store.

CAT ID

Your Cat ID consists of your username and your password. Your username is a unique 3-8 character account name that identifies you as a member of the UNI community. Your username in conjunction with your password allows you access to various online resources and computers on campus. Use your Cat ID wherever you see the Cat ID logo.

Passwords expire after 365 days. If you have forgotten your password, or your account is disabled, you may call the IT Service Desk (319-273-5555) for assistance.

PARKING ON CAMPUS

Parking on campus requires either the appropriate parking permit or the use of metered spaces by paying the appropriate fee. Permit eligibility is based on if you are living on or off campus.

It is best to order your permit as soon as possible after your orientation session. You will access the parking portal using your UNI CatID. Please do NOT create a visitor or guest account. More information, including how to order your parking permit, is in the "After Orientation Tasks" section of your orientation portal.

Receiving your parking permit

- If you are living on campus and purchase a physical permit, you will get your permit at move-in.
- If you are living off campus, you have the option to pick up your permit in August or mail it to the address of your choice if ordered before August 1.

VISITOR PARKING ON CAMPUS

Do you have a friend, family member or guest who is planning to visit you while you live on campus?

Students living on campus are welcome to come to the Public Safety Office to pick up a visitor permit for "C" or "R" parking for their guests. As long as it is for no more than one overnight during the week (M-F) there is currently no charge. Anything more than that would carry a fee.

Diversity, Inclusion & Social Justice

The Office of Diversity, Inclusion & Social Justice strives to promote equity and the inclusion of all members of historically marginalized populations on campus. Keep reading to learn more about each of our offices or visit us on the plaza level of Maucker Union!

CENTER FOR MULTICULTURAL EDUCATION (CME)

The CME advances inclusion and social justice through advocacy and support of underrepresented and marginalized students, provides diversity education for the community, promotes a safe and welcoming environment and fosters a sense of belonging and respect for all people and cultures.

MILITARY & VETERAN STUDENT SERVICES (MVSS)

MVSS supports military members, veterans and their families at UNI as they transition between military duty, college and new careers. MVSS is committed to faculty and staff education, on- and off-campus resource networking, advocacy and an empathetic ear to ensure that each military-affiliated student's voice is heard and they are empowered to achieve success in class and beyond.

GENDER & SEXUALITY SERVICES (GSS)

GSS promotes healthy, engaged and successful LGBTQ+ students and allies by providing a safe space, resources, community programming and educational opportunities to advocate for an inclusive community.

THRIVE PEER MENTORING

Thrive Peer Mentoring offers personalized support for first-year and transfer students of underrepresented and marginalized communities. Get connected with a peer mentor by emailing thrive@uni.edu.

Student Accessibility Services

UNI believes that disability is a naturally occurring aspect of humanity's diversity and is an integral part of society and at UNI. UNI believes in working collaboratively with students, faculty and staff to provide accessible and equitable opportunities for all students.

Students with disabilities are encouraged to connect with the UNI Student Accessibility Services Office (SAS) to begin the individualized process of determining reasonable accommodations based on the nature of the disability and the academic environment. The student engages in the interactive process by having a conversation with SAS staff which is taken into consideration when making accommodation determinations along with the student's past accommodations history and supporting documentation related to their disability.

Reasonable accommodations provide equal access to educational programs and activities; they do not lower course standards, provide an unfair advantage or fundamentally alter program requirements.

WHO IS ELIGIBLE FOR ACCOMMODATIONS?

Any individual with a physical or mental impairment that substantially limits one or more major life activities. Examples include, but are not limited to, learning disabilities (including ADHD), chronic health conditions, mental health conditions (anxiety, depression, PTSD) and physical disabilities.

WHAT ARE ACCOMMODATIONS?

An accommodation is an alteration to the academic environment to ensure students with disabilities have equitable access to course materials, information, activities, programs and campus facilities.

Accommodations can include digital textbooks, extended testing time, access to slide presentations and recording lectures, among many others.

HOW CAN I ACCESS SERVICES?

1. Request accommodations by completing the application at sas.uni.edu/submit-accessibility-request 
2. Provide Documentation supporting your request with the completed application. Documentation can include a previous IEP or 504 plan; psychoeducational or neuropsychological assessment; relevant medical records; a letter from a current counselor, physician, psychiatrist or psychologist; etc.
3. Schedule an Initial Meeting to discuss the barriers limiting the student's academic access and to identify reasonable accommodations.

Academic Resources

GENERAL EDUCATION REQUIREMENTS FOR GRADUATION

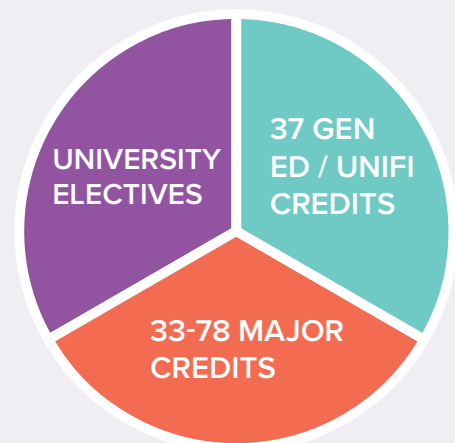

UNI Foundational Inquiry (UNIFI), UNI's general education curriculum, is a common curricular experience for all students, enabling you to develop skills and knowledge across a breadth of disciplines. We take pride in preparing students for fulfilling personal, professional and civic lives. Students take courses from three tiers for a total of 37 credits. Your advisor will help you select courses that meet UNIFI requirements.

YOUR ACADEMIC DEGREE

To graduate with a bachelor's degree, you must earn 120 credits. Think of these credits like a pie made of three pieces. The first piece is your UNIFI General Education requirements (37 credits). The second piece is your major requirements (33-78 credits). The final piece of the pie is University Electives. University electives are credits that do not count towards your major or general education requirements and are used to help you earn 120 credits. Each student needs a different number of university electives and can choose to apply those electives toward earning a double major, minor, certificate or enrolling in courses they are interested in. Your academic advisor can help calculate how many university electives you need and how best to use them.

Office of Academic Advising

The Office of Academic Advising works primarily with first-year students who are exploring majors or are declared in certain majors from the College of Social & Behavioral Sciences and the College of Humanities, Arts & Sciences. About 40% of new students from high school are assigned to an advisor from this office each year. Students advised outside of the Office of Academic Advising are assigned to an academic advisor through their college or department.

All UNI students are welcome to talk with an advisor about:

- Meeting degree requirements
- Adjusting your class schedule
- Changing your major or confirming that you already have the best major for you
- Understanding and connecting to campus resources

TIPS FOR WORKING WITH YOUR ADVISOR

Your advisor is here to help you be successful! Here are some things to do to help you get the most out of your advising meetings:

- Share your personal and educational goals so your advisor knows what your big-picture dreams are
- Be honest about how you are doing! Share any issues you're having so your advisor can help you formulate possible solutions.

WHO IS MY ACADEMIC ADVISOR

You can find who your assigned academic advisor is in your Student Center on MyUNiverse within one week after your orientation session.

CAN I CHANGE MY MAJOR?

YES! It is common for students to change their major; nationally, about 80% of college students change their major at least once. UNI has several resources designed to assist students with this process. Contact the Office of Academic Advising to meet with an advisor and discuss your options!

CAN I CHANGE MY SCHEDULE?

Students can make changes to their class schedule through the first week of each semester. Always check the Registrar calendar for deadlines and talk with your advisor before altering your schedule to make sure changes will not affect your degree plan.

+ registrar.uni.edu/calendar

GPA & ACADEMIC STANDING

To graduate from UNI, you must earn a 2.00 cumulative GPA. As long as you maintain a 2.00 GPA, you will be in Good Academic Standing. If you fall below a 2.00 GPA, your academic standing will change which can have academic and financial aid consequences. The Undergraduate Academic Standing Policy is outlined in the Academic Catalog.

- To earn a 2.00 GPA you must earn Cs or higher in each of your classes. Grades of C- and below will not help you earn a 2.00 GPA.
- Your declared major may have a GPA requirement that is higher than a 2.00. It is your responsibility to speak with your advisor about your major requirements.

+ catalog.uni.edu/generalinformation/academicregulations/

PEER ADVISORS ARE HERE TO HELP!

Peer advisors are UNI students trained to help answer your questions about academic advising! They can help you:

- Explore UNI majors, minors and certificates
- Understand general education (UNIFI) requirements
- Connect to campus resources
- Use the registration system in Student Center
- Read your Advisement Report
- Collect a list of questions to ask your advisor during your appointment

Rod Library

Rod Library is located in the heart of campus and is a one-stop place to ask questions. You can find resources, get assistance on assignments, schedule research consultations and check out items. Ask the library questions during open hours via chat, text, phone or email. Online resources are available 24/7 with e-books, journal articles and databases.

Beyond books, Rod Library provides spaces for studying and creating, more than 100 public computers, print stations on every floor and even a cafe. Rod Library is a great resource, a space to study and place to connect with others. The library staff cannot wait to see you and help you succeed!

- Discover rows and rows of books and areas such as Youth, Special Collections & University Archives, Fine & Performing Arts and the UNI Museum.
- Check out items such as laptops, phone chargers, art supplies, umbrellas, bikes, hammocks and much more.
- Plug in with the Library TechConnect Desk, which offers library printing and computer help.
- Stream music or read the latest e-books with your new Cedar Falls Public Library card from the Rod Library services desk.
- Explore teacher education services and resources at HNI Corporation Instructional Resources & Technology Services (IRTS) in the Schindler Education Center.

Check out what the Rod Library has to offer!

TUTORING SERVICES

Visit The Learning Center @ Rod Library for help with courses in business, math, and science, as well as writing and general study skills. Conveniently located on the main floor of Rod Library, tutoring hours are Monday through Thursday 10 am - 10 pm. **Tutoring is free for students.**

You are encouraged to go to The Learning Center early in the semester and often in order to stay on top of your academics.

WHEN SHOULD I ORDER MY BOOKS?

When deciding how early to order your books there are a few things to keep in mind.

- Textbook orders are processed in the order in which they are received.
- Used books are first-come, first-serve, so if getting used books is important to you, place your order as early as possible.
- Remember to place your order early enough to ensure delivery by the start of classes.

The UNI Bookstore allows you to charge your textbooks to your U-Bill enabling your scholarships and financial aid to help cover the cost.

WHERE DO I FIND MY BOOK LIST?

You can find your booklist on the bookstore website, by logging in using your UNI CatID. This will provide the most accurate information for what materials you will need for each of your courses.

Financial Aid & Scholarships

FINANCIAL AID CHECKLIST

It's really never too early or late to discuss how you plan to pay for college, which includes tuition, fees, housing and meals. Allow the Office of Financial Aid & Scholarships to assist you in navigating the path to paying for college. Here's a recommended checklist for you to follow.

Complete your FAFSA

The Free Application for Federal Student Aid (FAFSA) is the form used to apply for federal and state financial aid. The 2024-25 FAFSA becomes available at fafsa.gov in December 2023. The FAFSA for the upcoming academic year can still be completed at this time! You will want to complete the FAFSA every year.

Review Your Aid Offer

Financial Aid Offers are available electronically. View your offer by logging into your MyUNiverse account, clicking 'Go to my Student Center', scrolling down to the Finances section, then using the links under Financial Aid. Here, you can also accept or decline Federal Direct Loans. Any aid initially declined can be re-offered by contacting the Office of Financial Aid & Scholarships.

Report Your Scholarships

All scholarships from outside the institution (Off-Campus Scholarships) are required to be reported on your Financial Aid Offer. To do this, go to your Student Center and select 'Report Other Financial Aid' in the Finances section then fill in the provided area or email additional.aid@uni.edu.

Check your To Do List in the Student Center

A To Do List is featured on the right hand side of your Student Center. This section may include tasks or documents the university needs you to complete and/or turn in. Clicking on the individual links will provide more information about what is being requested and who to contact if you have questions. Some To Do List items may impact your ability to receive aid, so please complete them at your earliest convenience.

Financial Literacy

All incoming first year students are required to complete financial literacy training. Students can complete this requirement through an in-person class, Live Like a Student, or online through Panther CashCourse. Sign up this summer for Live Like a Student at admissions.uni.edu/live-like-a-student! Panther CashCourse will become available via eLearning the first week of the semester.

ARE YOU BORROWING FEDERAL DIRECT LOANS?

Two online requirements need to be completed at studentaid.gov by August for Federal Direct Loans to pay out in a timely manner.

WHAT ARE DINING DOLLARS?

Dining Dollars are pre-paid spending dollars that may be used for purchase in the retail stores or additional meal purchases in the dining centers. Dining Dollars come as part of all of our meal plans, but can also be purchased as needed.

Dining Dollars roll over from fall to spring semester and expire at the end of the spring semester, so use them up by the end of the spring semester.

WHAT ARE GUEST MEALS?

Guest meals are swipes into the dining center for a friend or guest who does not have a meal plan that you would like to treat to a meal in the dining center with you. Guests can also pay for a meal using a credit card at the greeter's station at each dining center.

UNI's Student Wellness Services is committed to keeping students healthy and well by providing opportunities to develop skills, access information and engage in a wellness culture that empowers healthy living and active lifestyles. We strive to create a culture of wellness by providing collaborative, inclusive, student-centered programs that support and promote college student health in their eight dimensions of wellness.

WELLNESS COACHING

Student Wellness Services provides Wellness Coaching, which is a way for you to reach your goals and create the life you want. It gives you the opportunity to explore your strengths while focusing on your health and wellbeing. Whether you are looking for support with stress management, better sleep habits, time management, social connection or just need someone to listen, Wellness Coaches are here for YOU! Sessions are held in-person or via Zoom.

Study Abroad

Interested in studying abroad but not sure where to start? We offer a wide selection of programs ranging from two weeks to an academic year abroad. Many programs offer a cost of attendance comparable to studying on campus at UNI. Approximately 80% of our programs offer courses in English. Scholarships are available specifically for UNI students studying abroad. Financial aid can be used for study abroad expenses. Funding options should be discussed with a Financial Aid Advisor. We recommend planning your Study Abroad experience sooner rather than later. Talk to your academic advisor about integrating Study Abroad into your academic plan.

TYPES OF PROGRAMS:

- **Partner Universities:** UNI students can live and learn at a university abroad during the fall and/or spring semester and take classes towards their degree. Some schools offer a summer school option where students can study with that university for 1 to 3 months.
- **Faculty-led:** Students can learn course content from UNI faculty through hands-on, dynamic experiences. Students travel with a class of 10-25 for 2-3 weeks during winter break or the summer term. Some faculty-led programs offer general education courses open to all majors while others may be major specific.

Music & Theatre

You can still continue your passions even if you are not majoring in music or theatre. Sign up to play in a music ensemble, attend a theatre performance, join an improv group, audition to be in a production or even volunteer to help in back of house.

MUSIC

Ensembles at UNI School of Music are the best way to get involved.

- **Music Majors:** Get involved in several groups and fill your days and nights with performing amazing music under the direction of our top-notch faculty and conductors.
- **Non Music Majors:** Not a music major but love music? Join an ensemble and stay involved in making music while you pursue other dreams.

THEATRE

Each year, our team produces four to six mainstage productions and hosts a variety of special events including design presentations and guest artist lectures. All main stage TheatreUNI productions during the academic year are free to UNI students.

GALLAGHER BLUEDORN PERFORMING ARTS CENTER (GBPAC)

Students get two free student tickets per semester to performances hosted by the GBPAC. Students can reserve their tickets for Artist Series shows starting on the first day of classes in the semester that the shows take place. In order to reserve your tickets, just bring your valid UNI ID to any UNItix location. Additionally, many of the Artist Series shows have \$5 student rush tickets available on the day of the show. Students just need to contact the box office for availability.

Get Involved & Make Friends

STUDENT INVOLVEMENT

With more than 250 student clubs and organizations, one or more of them is likely to ignite your spark and create life-long friendships along the way. The Office of Student Involvement provides resources to assist you in finding student organizations that match your interests and help to develop and achieve leadership skill and achieve your goals.

We encourage you to get involved in at least one student organization during your first semester on campus.

Getting involved helps you make connections and start building important leadership and communication skills needed for your future.

Attend the Student Organization Fair at Panther Welcome to learn more about student organization opportunities.

PANTHER FYI

Panther FYI (Find Your Involvement) provides you the opportunity to connect with student organizations that match your interests. It also provides the ability to create an out-of-the-classroom resume of your student organization involvement, volunteer engagement and work experiences. Get started today and explore all that UNI Student Involvement has to offer.

PANTHER PANTRY

The Panther Pantry provides students in need with basic food and necessities. We recognize that in order to succeed in the classroom, and here at UNI, many students experiencing food insecurity need a place like the Panther Pantry to help provide access to food. The Pantry provides students with food and personal hygiene products to fill in the gaps.

The Panther Pantry is conveniently located in the lower level of the Maucker Union for you to get what you need when you need it. The Pantry is staffed by students for students.

Student Conduct & Safety

STUDENT CONDUCT

As a part of the UNI community, it is important for students to understand expectations for all student behavior and the process for which allegations of misbehavior will be addressed.

The Student Conduct Code, grounded in a commitment to Respect, Responsibility and Honesty, outlines the conduct prohibited by our students. A few examples of conduct prohibited within our community includes, but are not limited to:

- Causing harm to others.
- Using, purchasing or being in possession of alcohol while under the age of 21.
- Using, possessing, selling or distributing marijuana and/or other illegal substances.
- Failing to comply with reasonable directives from university officials.
- Violating the law.

A few quick things all students should know about the conduct process:

- All students have rights in the conduct process.
- We communicate with students through their UNI email.
- The Student Conduct Code also applies to student organizations.
- The Good Samaritan Provision encourages students or student organizations to seek medical or professional assistance for individuals in need rather than focusing on potential allegations of misconduct.

UNI POLICE & PUBLIC SAFETY

UNI has a fully staffed police department that works 24/7, 365 days a year.

Personal safety starts with you! Protect yourself by becoming informed and using good judgment. Know your surroundings at all times. Always lock your dorm room, secure your valuables and record serial numbers for electronics. Make sure you save the UNI Police phone number in your phone - (319) 273-2712. You can also call 911 if there is an emergency.

+ publicsafety.uni.edu/crime-prevention-safety-tips

CAMPUS EMERGENCY ALERTS

The UNI Alert System notifies the campus community of emergencies and threats to physical safety in emergency situations: tornado, violence, hazardous material incident, canceled classes, university closure, etc. Notification is by cell phone, landline phone, email and text message. Students can sign their family members up for alerts as well.

+ uni.edu/resources/alert

CAMPUS SAFETY ESCORTS

The Department of Public Safety offers safety escorts to the UNI community 24 hours a day. Anyone who has safety concerns and would like an escort, may request an escort from any university building or dorm on campus. Escorts from members of the Police Department or Student Patrol may arrive by way of walking, bicycle or vehicle.

To request a safety escort, call (319) 273-2712.

Office of Compliance & Equity Management

CULTURE OF RESPECT

At UNI, we seek a culture of respect. We work to ensure an equitable and welcoming environment for all students, faculty and staff. The Office of Compliance and Equity Management (OCEM) serves to ensure a campus free of discrimination, harassment and sexual misconduct.

What we do:

- Coordinate trainings, education, awareness and prevention work on campus.
- Respond to concerns and reports of discrimination, harassment and sexual misconduct.
- Manage issues related to all types of civil rights protected classes.
- Offer resources to help and options for resolution.
- Provide supportive measures for impacted individuals.

Take Action! Students are encouraged to:

- Take the Voices for Change: Consent online training that explores types of gender violence and the importance of consent.
- Go through the Green Dot bystander intervention program.
- Report incidents to OCEM.

GREEN DOT

UNI is a Green Dot campus. Green Dot is a bystander intervention program with the goal of decreasing the likelihood of sexual assault, stalking, dating violence and domestic violence.

WHAT'S A GREEN DOT?

Green Dots are actions or choices that promote safety and intolerance of violence. The ultimate goal of being a Green Dot campus is to have Green Dots outnumber the red dots (acts of power-based interpersonal violence) on campus.
